GREAT LAND SALE.

Series of Searly Thirty Properties at Anetlon.

James F. Morgan will hold one of the largest series of land sales ever conducted here in a single event tomorrow and next day. The sale will begin at noon each day at his salesroom. Coffee, cane and rice lands, together with many desirable residence sites, some containing dwellings already built, are to be offered to the highest bidders. There is a large number of lots at Kalihi, a suburb of Honolulu every year gaining in popularity. The water question being now settled there. the demand for building sites will undoubtedly become more keen.

Nine shares in a coffee area at Holualoa, Kona, Hawaii; 362 acres of part coffee land near Ho naunau, with old and new coffee on parts of it, and 654 seres at itonokua, in the same coffee region, partly planted in that article, will attract all who take an interest in the coffee industry. There are valuable lands in Hilo district on the list, Taro lauds and homesteads in and about Honolalu will be offered, also choice properties at Walkibi and Pearl City.

The reachty with which building sites have been bought up of late years, in Honolulu and suburbs, by individuals, wanting them for homes instead of speculation, indicates a time in the near future when it will be difficult to obtain independent homes within easy reach of business.

Everything will be marked at cost or less during the big closing out sale at the Temple of Pashion. Sale begins Monday, March 2, and will continue as long as there are good for another glass at either of any goods left.

AMERICAN RELIEF SOCIETY.

Proceedings at the Adjourned Anaual Meeting Today.

At the adjourned annual meeting of the American Relief Society, held at the office of Bruce Cartwright this morning, the fol-lowing were present: W. F. Allowing were present: W. F. Al-len, vice-president; Bruce Cartwright, secretary and treasurer; J. Emmeluth and C.B. Ripley of the Relief Committee and Messrs. B. F. Dillingham, W. O Atwater, T. F. Lansing, J. B. Atherton, P. C. Jones and W. W. Hall.

After the reading of the minutes of last meeting, on motion of P.C. Jones the secretary was authorized to cast a ballot for the former officers, substituting the name of W. O. Atwater in place of Bruce Cartwright (resigned) as secretary and treasurer, and thereupon the following were declared elected for the ensuing year: Hon. C. R. Bishop, president; W.F. Allen, vice-president; W. O. Atwater, secretary and treasurer; J Emmeluth and C. B. Ripley, relief com-

On motion of P. C. Jones, Mr. Atherton was appointed a committee of one to visit the hospital for the ensuing year and inquire into the condition of the pensioners of the fund at that place.

The present list of beneficiaries was then carefully discussed and considered and the secretary was instructed to drop four of them from the list after making one more payment. This action was rendered necessary by the present depleted state of the fund.

The society is in urgent need of funds and all Americans are re: quested to call on the Secretary and register their names.

Revival Meetings.

The interest in Mr.Romig's evangelistic meetings is increasing nightly and a spirit of carnest inquiry is being manifested. Mr. Romig has the happy faculty of making every subject upon which he speaks so plain that even with the most rudimentary knowledge of the Scriptures, one is enabled to know just where he stands with regard to spiritual things. This result is also hastened by the use of the Scripture charts, by the aid of which it is well nigh impossible to get astray on the subject under consideration. The "Essentials of Conversion" last night were made so plain in this way that nothing but an unwillingness on the part of the hearer could have prevented his knowing the gospel requirements.

Don't forget that the great closing out sale at the Temple of Fashion begins Monday, March 24.

There was 'nu extremely pleasant little gathering at the Eagle House on Tuesday evening last. Mr. and Mrs. McLean invited several of their friends with the hotel guests, including Mr. and Mrs. Wirth, Mr. Cameron, Mr. and Mrs. St. Leon, Mr. and Mrs. Mc-Mahon, Mr. and Mrs. E. A. Williams, Mr. and Mrs. Warner, Miss Herrick, Miss McCorriston, Miss Jarrett, Miss Adair, Mrs. Nichols, Miss Nott, Prof. Price, Mr. Burns, Mr. Alberto, Mr. F. McMahon, Mr. Miller, Mr. Hayes, Mr. Gunst and Mr. Knight. Dancing was indulged in and light refreshments were served at 9:30. Good music was in attendance and altogether it was one of the most delightful little parties of the season.

R. C. A. Peterson has resigned his position in the custom house. to take effect March 1st, and will open an office as general business agent, collector and custom house broker. Mr. Peterson, who is one of the best known young men in Honolulu, has been in government employ for six years, and is thoroughly conversant with every branch of the customs department. During this period Bert has gained a bost of friends, many of whom will be much pleased to hear that he is going into business for himself.

Messrs, W. C. Pencock & Co. have placed on sale at their saloons, the Royal, Pacific and Cosmopolitan, the celebrated Pabst Milwaukee draught beer. It is one of the finest in the world and its excellent qualities have gained for it an enviable reputation. It is the only draught beer in Honolulu that is manufactured east of the Rocky Mountains.
